

# Refund Policy

## Refunds

Makr has free and paid monthly plans. The free plan is designed to allow users to explore the product and ensure it meets their needs before upgrading to the paid plan. Due to the nature of our product, we currently do not offer refunds, either partial or in full for our paid plans.

## Cancellations

You can easily cancel your subscription at any time you like. We will no longer charge you anything once you cancel your subscription.

We may change our pricing, pricing policies, features and access restrictions at any time. If you have any questions or concerns about this refund policy, please contact our customer support team at support [at] makr.so.
